

For the August 2024 intake, we offer **two application periods**: one in January and another in May.

It is important to note that the English proficiency requirement is higher for the May application period. If you apply in January, your child may have the opportunity to join the English Foundation Programme (EFP) if the assessment committee identifies a need for improvement in your child's English proficiency.

Please be aware that EFP is NOT AVAILABLE for May 2024 applicants.

# English Proficiency Requirements

At SISM, all lessons and examinations are conducted in English (except for Foreign Languages).

Therefore, as part of the application process, your child's English proficiency will be assessed. For January 2024 applicants identified by the SISM assessment committee as needing improvement, enrolment in the **English Foundation Programme (EFP) is recommended.**

This English Foundation Programme (EFP) will run for four months from April to July. It aims to enhance the students' English listening, speaking, reading, and writing skills before the start of the school academic year in August 2024.

The decision to participate in the EFP may be optional or mandatory, depending on your child's English proficiency.
